## Amarnath Yatra via Baltal Route or Road

### Baltal - Domail - Barari - Holy Cave

The Amarnath Ji Yatra via Baltal route is the shortest and preferred choice of most pilgrims as it is possible to complete the yatra from this route in only one day. The distance between the Baltal and the holy cave is only 14 kms. So the devotees can perform the darshan same day and return to base camp the same day. But Baltal route is also narrow and difficult to traverse as compared to Pahalgam route.

- The starting point of yatra via this route is Baltal which is located at a distance of 14 kms from the holy cave. The next point is Domail which is 2 kms from the Baltal. After that yatis can proceed towards Barari which is again at a distance of 6 kms from Domail.
- On reaching Barari, one must travel 4 kms and reach sangam. The sangam is only at a distance of 3 kms from the holy cave. In this way one can reach Holy cave via Baltal.
